Read & Publish モデル OA 投稿 Corresponding Author 向けガイド

Read & Publish モデル契約機関所属の投稿者は Development, Journal of Cell Science, Journal of Experimental Biology の 3 誌、あるいは Disease Models&Mechanisms, Biology Open を加えた 5 誌の購読ジャーナルでオープンアクセス論文の出版の際にかかる APC (Article Processing Charge:論文出版料)が免除されます。

<u>こちら</u>のリストに記載の機関に所属する Corresponding Author のためのステップごとの OA 論文投稿ガイドです。

ステップ 1: ご自分の所属機関が Read & Publish モデルの契約機関であることを確認。

契約機関のリストはこちら。

リストに名前がない場合は図書館(または担当部署)に契約予定の有無を確認しましょう。

ステップ 2:ご自身の所属機関がどちらのパッケージを契約しているか確認。

Read & Publish 契約には3誌パッケージと5誌パッケージの2種類があります。

ご自身の所属機関の契約がどのジャーナルが対象(APC 無料で OA 投稿できるか)となっているかは、こちらからご確認ください。

【3 誌パッケージ】

Development, Journal of Cell Science, Journal of Experimental Biology

【5 誌パッケージ】

<u>Development, Journal of Cell Science, Journal of Experimental Biology, Disease Models & Mechanisms, Biology Open</u>

ステップ 3: Editorial Manager 投稿システムを使って論文を投稿。

- -Read & Publish モデル対象各ジャーナルからシステムに入れます。
 - Development
 - Journal of Cell Science
 - Journal of Experimental Biology
 - Disease Models & Mechanisms
 - Biology Open

- ・アカウント登録済みの場合はユーザーネームとパスワードでログインします。 初めての投稿の際はアカウント登録が必要です。
- ・Author Main Menu(著者記入欄)にて"Submit New Manuscript" (新規論文投稿)を選択します。
- Development、Journal of Cell Science、Journal of Experimental Biology に投稿する場合、"Read & Publish agreement"を選択し、"Open Access" の submission questionを記入します(Disease Models & Mechanisms と Biology Open への投稿の場合、この手順は必要ありません)。

APC が免除されるためには Corresponding Author の所属機関が Read & Publish モデル契約済みであることが条件です。複数の著者が関わる論文の場合、投稿手続き前に代表を担う Corresponding Author を決定しておく必要があります。 Corresponding Author の連絡先メールアドレスは Read & Publish モデル契約機関のドメインのメールアドレスを使用してください。

ステップ3: 論文の出版が決定したら。

- Publication Agreement (出版契約書)に記入し返送します。
- ・COB から RightsLink システムへのリンクが送付されます。Corresponding Author が Read & Publish モデル契約機関に所属する場合、自動的に APC 免除が適用されます。もし所属機関の図書館が"Touch Free workflow"を選択していた場合は著者の手続きはここまでです。後日、図書館が著者の所属を確認して APC 免除の手続きを承認した時点で著者へメールが送信されます。
- ・所属機関が"Touch Free workflow"を選択していなかった場合、Transaction Link から"Seek funding from [所属機関名] "(所属機関への承認申請)を選択して機関名を記入の上、"next"(次へ)をクリック すると、RightsLinkのOA 費用精算システムのログインページに誘導されます。アカウント登録済みの場合はユーザーネームとパスワードでログインします。初めての利用の場合はアカウント登録が必要です。
- ・ログインして自身の登録内容、契約条件を確認の上、問題がなければ'Submit for Approval' (承認申請) を選択します。
- ・所属機関で著者が機関に所属し、Read & Publish モデルにより APC 免除で OA 出版することが可能と確認されるとメールが届きます。著者自身による確認のために投稿論文の校正が PDF で届き、最終確認を経てオープンアクセス CC-BY ライセンスで出版されます。

ステップ4:投稿論文を販促・シェアする。

投稿原稿はオープンアクセス出版されるので、Read & Publishモデル契約の有無に関係なく(ソーシャルメディア、学術共ネットワーク、メール、授業などによって)共有し、世界中の人々に拡散することが可能です。

Guide for corresponding authors at institutions with Read & Publish and other transformative Open Access agreements

<u>Corresponding authors</u> at institutions with all Read & Publish agreements can publish Open Access research articles without paying an article processing charge (APC) in our journals.

Step 1: Check if the corresponding author's institution has a Read & Publish or other transformative Open Access agreement with The Company of Biologists

If your institution has multiple campuses or locations, please confirm that you select the correct one when checking for Read & Publish agreements, as some institutions have separate licensing arrangements for different campuses.

The following guide to the article submission process applies to corresponding authors at institutions listed here.

If your institution is not on the list, you may wish to contact your library to find out if they are planning to participate soon.

Step 2: Check which journal package your institution has signed up toInstitutions have a choice of a three- or five-journal Read & Publish package. You will see from the list here in which journals you can publish your article Open Access without paying an APC:

- Three-journal package: <u>Development</u>, <u>Journal of Cell Science</u> and <u>Journal of Experimental Biology</u>
- Five-journal package: <u>Development</u>, <u>Journal of Cell Science</u>, <u>Journal of Experimental Biology</u>, <u>Disease Models & Mechanisms</u> and <u>Biology Open</u>

Step 3: Submit your article using our Editorial Manager submission system

- Follow the link to the submission system for your chosen journal below.
 - Development
 - Journal of Cell Science
 - Journal of Experimental Biology
 - Disease Models & Mechanisms*
 - Biology Open*

(*Corresponding authors from Max Planck Society Institutes, University of California campuses and other institutions with five-journal Read & Publish agreements.)

- If you already have an Editorial Manager account, log in using your existing username and password. If you are a first-time user, you will need to create an account.
- From the Author Main Menu select "Submit New Manuscript".
- The affiliation of the corresponding author is used to determine eligibility for discounted or waived article processing charges so please ensure that the corresponding author is agreed before submission.
- The institution details provided in the corresponding author's user account determine the discount available. Please ensure the institution, institutional email address and country are provided and up-to-date
- If you are submitting an article to Development, Journal of Cell Science or Journal of Experimental Biology, please complete the "Open Access" submission question by selecting "Read & Publish agreement". (Please note: This step is not required for Disease Models & Mechanisms and Biology Open.)
- The price for your Open Access publication charge will be available to view on the final submission page, revealing your institutional discount. Please contact the Editorial Office if you are eligible for a discount that has not been applied.

Step 4: What you need to do if your article is accepted

- Complete and return the Publication Agreement
- We will send you a link to our RightsLink payment system and, if your institution has a Read & Publish agreement with us, an automatic fee-waiver will be applied. Please note: If your institution has opted-in for the Touch-Free workflow, this is your final step as your institution will receive a copy of the transaction link and will action the funding request. You will receive a confirmation email as soon as your institution confirms your eligibility.
- If your institution has not opted for a Touch-Free workflow, you will receive a
 transaction link. Please select "Seek funding from [name of institution]" and
 then click "next". You will be taken to the sign in page of our RightsLink Open
 Access payment system. If you already have an account, log in using your
 existing username and password. If you are a first-time user, you will need to
 create an account.

- When you are signed in, you can review your details, approve the terms and conditions, and select 'Submit for Approval'.
- You will receive a confirmation email as soon as your institution confirms that
 you are eligible for free OA publishing under their Read & Publish agreement
 with us. A PDF proof of your article will be sent to you for review, and the final
 approved version will be published under an Open Access CC BY license.

Step 5: Promote and share your article

Your article will be published Open Access. This means you can share the article as widely as you like (via social media and scholarly collaboration networks, by email, in your teaching etc) in the knowledge that everyone worldwide – regardless of their institution's licensing arrangements – can read it and share it further.
